Parent

Observation Week

December 10th—16th

Every year, Harwood-Watson Dance Studios invites parents and families to watch their dancers during class. This opportunity is available only once per year, so don't miss your chance! Teachers and students are encouraged to interact with the families so they can better understand the process of a class and see the dancers' progress.

Studio Closed for Holidays

November 24th—27th.

December 16th—January 1st.

Baldwin Park's Festival of Lights

Continuing a tradition we started last year, we invite all students to participate in the Baldwin Park Festival of Lights Parade. We will gather at the studio at 5:00pm for a brief Christmas party and to prepare ourselves with costume pieces and props."

Happenstance

Harwood-Watson Dance Studios is proud to announce the return of Happenstance. Happenstance shows are held near the end of each month and we are always looking for new and current artists to showcase their art. Artists are able to participate for free. Plan to join us in the audience every month to see what's new and developing in the arts community for only \$7. Doors open at 7PM. We are also looking for non-performing artists to showcase their artwork in the

lobby of the studio for viewing before and after the show. Call the studio at 407-228-0005 for more information!

Check out "The Performers"

The Performers have been very busy with rehearsals and shows. October started off with Evening of Dance at Lake Eola.

The girls performed two dances,

"What Are We Waiting For" and "Pulse"

In November the girls went to the Winter Park Rehabilitation Center and put on an energetic show for the residents.

Afterward they spent some time talking with those who came out to see the show.

This was definitely a great experience for everyone!

The Performers will also be performing at the Orlando Museum of Art during Festival of Trees. Please come out to enjoy the exhibit and support The Performers on November 19th at 4PM. Get there early to check out the festive Christmas trees and grab the perfect spot to watch the show.
